PLAN YOUR VACATIONS

Planning the vacation you've always imagined is the first step of this exciting adventure. Beautiful beaches, dream cities or exotic places... the options are endless and we are here to make your dreams come true.

Are you ready for the best vacation of your life?

Your **Club Points** are the “currency” with which you will be able to plan the vacation you have always dreamed of.

The journey starts now!

A wide-angle, high-angle photograph of a tropical beach. The foreground is dominated by a dense canopy of lush green palm trees. Below them, a sandy beach curves along the edge of the water. Several people are visible on the beach and in the shallow turquoise water. A rocky breakwater extends into the sea on the right side. The water transitions from a light turquoise near the shore to a deeper blue further out. In the distance, a range of blue mountains stretches across the horizon under a clear, bright blue sky. The overall scene is bright and sunny, suggesting a perfect vacation spot.

“In order to plan our vacations,
we became members sixteen years ago.
It is important to make the most of your membership,
for example, you can enjoy two or
three days in one place and the
rest in another, thanks to the points.
The hotels are marvelous and the service unique.
Yes, it is worth it”.

IMPORTANT CONSIDERATIONS

We share with you some important points to take into consideration so you can take full advantage of your Membership.

ABOUT YOUR RESERVATIONS

Vacation Points will be assigned on an annual basis. You can use them immediately. Fiesta Americana Vacation Club determines the conditions of usage, so we recommend you to review the following information. The points assigned to you expire after a period of time, so they must be used before **December 31st** of the running year. Your membership has been designed for you to enjoy your vacation periods with family and friends, any other type of use is not allowed.

Your Membership offers you multiple choices to make the most of your Points: an Exchange program with RCI, reservations at Posadas Hotels and Hilton Grand Vacations Club, the chance to deposit into next year's account or borrow next year's Points for the current year along with Travel Benefits. These options are subject to change without notice. Changes do not apply in case a transaction has already been confirmed.

You and your companions have a **15% discount on food and beverage consumption** at any Fiesta Americana Development Club. We remind you that discounts do not apply with other promotions, groups or events.

Who can call the Club and make reservations? In order to maintain the confidentiality of every operation, we remind you that only the Membership Owners and co-holders are allowed to make reservations, changes, and requests, or make any decision concerning the Membership.

RESERVATION AND ACCOMMODATION DETAILS

Check-in requirements. In order to maintain the security in our Developments, we request all Fiesta Americana Vacation Club Members to render a copy of their confirmation, an official personal ID and a credit card or guarantee deposit when booking their vacation period. We also request that Members make sure they have all these previously mention documents at hand before arriving to the Developments, to avoid any setbacks and ensure that their stay is a great experience from the beginning

Assignment and cleaning of rooms::

- Since it is not possible to book a specific unit in advance, the unit will be assigned to you once you arrive at the Development. This way, we ensure that all Members have the same opportunity of enjoying any of our accommodations.
- Upon arrival you will find your unit perfectly clean and available (check the check-in times for each Development).
- Check-in time: 3:00 pm. / Check-out: 12:00 pm.

- All rooms at Fiesta Americana Vacation Club receive daily light cleaning (bed arranging, replacement of bathroom towels, sweeping, dusting and furniture arranging) during your stay. If you stay with us for four nights or more, at mid-week the room will receive deep cleaning (bed sheet replacement, floor vacuuming and general cleaning). In case of requiring daily deep cleaning, daily kitchen cleaning and dishwashing, it will be available at an additional cost.
- At Hilton Grand Vacations Club Properties deep cleaning is only carried out once a week, there is no daily light cleaning in the villas. If required, it will be available at an additional cost.

Accommodation restrictions. To make sure you enjoy a pleasant stay, we request that you consult this Guide to obtain the specific information related to the **maximum occupancy for each unit type**, days and check-in schedules and **minimum stays restrictions**. For safety and hygiene reasons, pets, toxic, flammable or explosive materials and any type of weapons are not allowed in any of the Fiesta Americana Vacation Club, Hilton Grand Vacations Club, Posadas Hotels and RCI Developments.

Additional charges in Developments. The Fiesta Americana Vacation Club Developments offer a great amount of additional services. In some cases, these services have an extra charge. These additional costs are defined and charged by the Development. Additionally, some destinations require a local lodging tax payment. Please request the corresponding information to our Vacation Counselors. The Vacation Points are for travelling and accommodation purposes only, and do not cover additional charges.

Damage to Developments and Hotels. It is the responsibility of the Member to keep the spaces, furniture and facilities of the Developments clean and in good conditions. Members and guests are responsible for covering any expenses generated as a result of any damage caused by them.

To complement your experience, your Membership gives you access to other benefits:

Miles: To purchase flights, you can convert your Vacation Points into miles or miles of frequent flyer with any of the participating airlines.

Savings: From January 1st to March 31st of each year, you can deposit your Vacation Points of the current year in full or in part and use them the following year.

Advance: Likewise, you can anticipate the use of any number of Points of the following year (including previously deposited) to use in the current year.

WE ARE INTERESTED IN YOUR SAFETY

HOW TO PROTECT YOUR MEMBERSHIP FROM POSSIBLE SCAMS

Because for us the most important thing is your peace of mind, we share the following information to help you take safety measures.

There are groups of people and/or fraudulent businesses that contact members of several Vacation Clubs, by telephone or via email. Below we have listed some of the reasons why you can be contacted:

HOW TO MAKE A FULL WEEK RESERVATION AT RCI

TIPS

DESTINATION

To make your search easier, you must have more than one destination for the desired date or more date options in mind for a destination. To learn more about the participating resorts, be sure to visit: www.rci.com.

Call our Member Service Center, select the option for RCI reservations. Ask the Club Counselor to verify availability for your preferred travel choices (no cost).

If you should find availability at the moment of making a reservation request, the Club Counselor will confirm the property and check-in date and will charge the reservation fee. Afterwards, a confirmation letter will be sent to the address we have registered under your name.

BOOK

In the event of no room or date available, the Counselor will call you once the search has been completed. All searches are subject to availability.

An official search in the System for any of the available destinations will have an additional cost (page 18).

As long as your search is being made using your current year Club Points, these won't be taken away from your Membership until the search has been confirmed. In case you are using Points prior to their expiration date for a future search, these will be protected through RCI during the period of time that your search remains in process (a maximum of 2 years upon your search request).

Reservations can be made up to two years in advance and must be for a full week, respecting the check-in day of the particular Development.

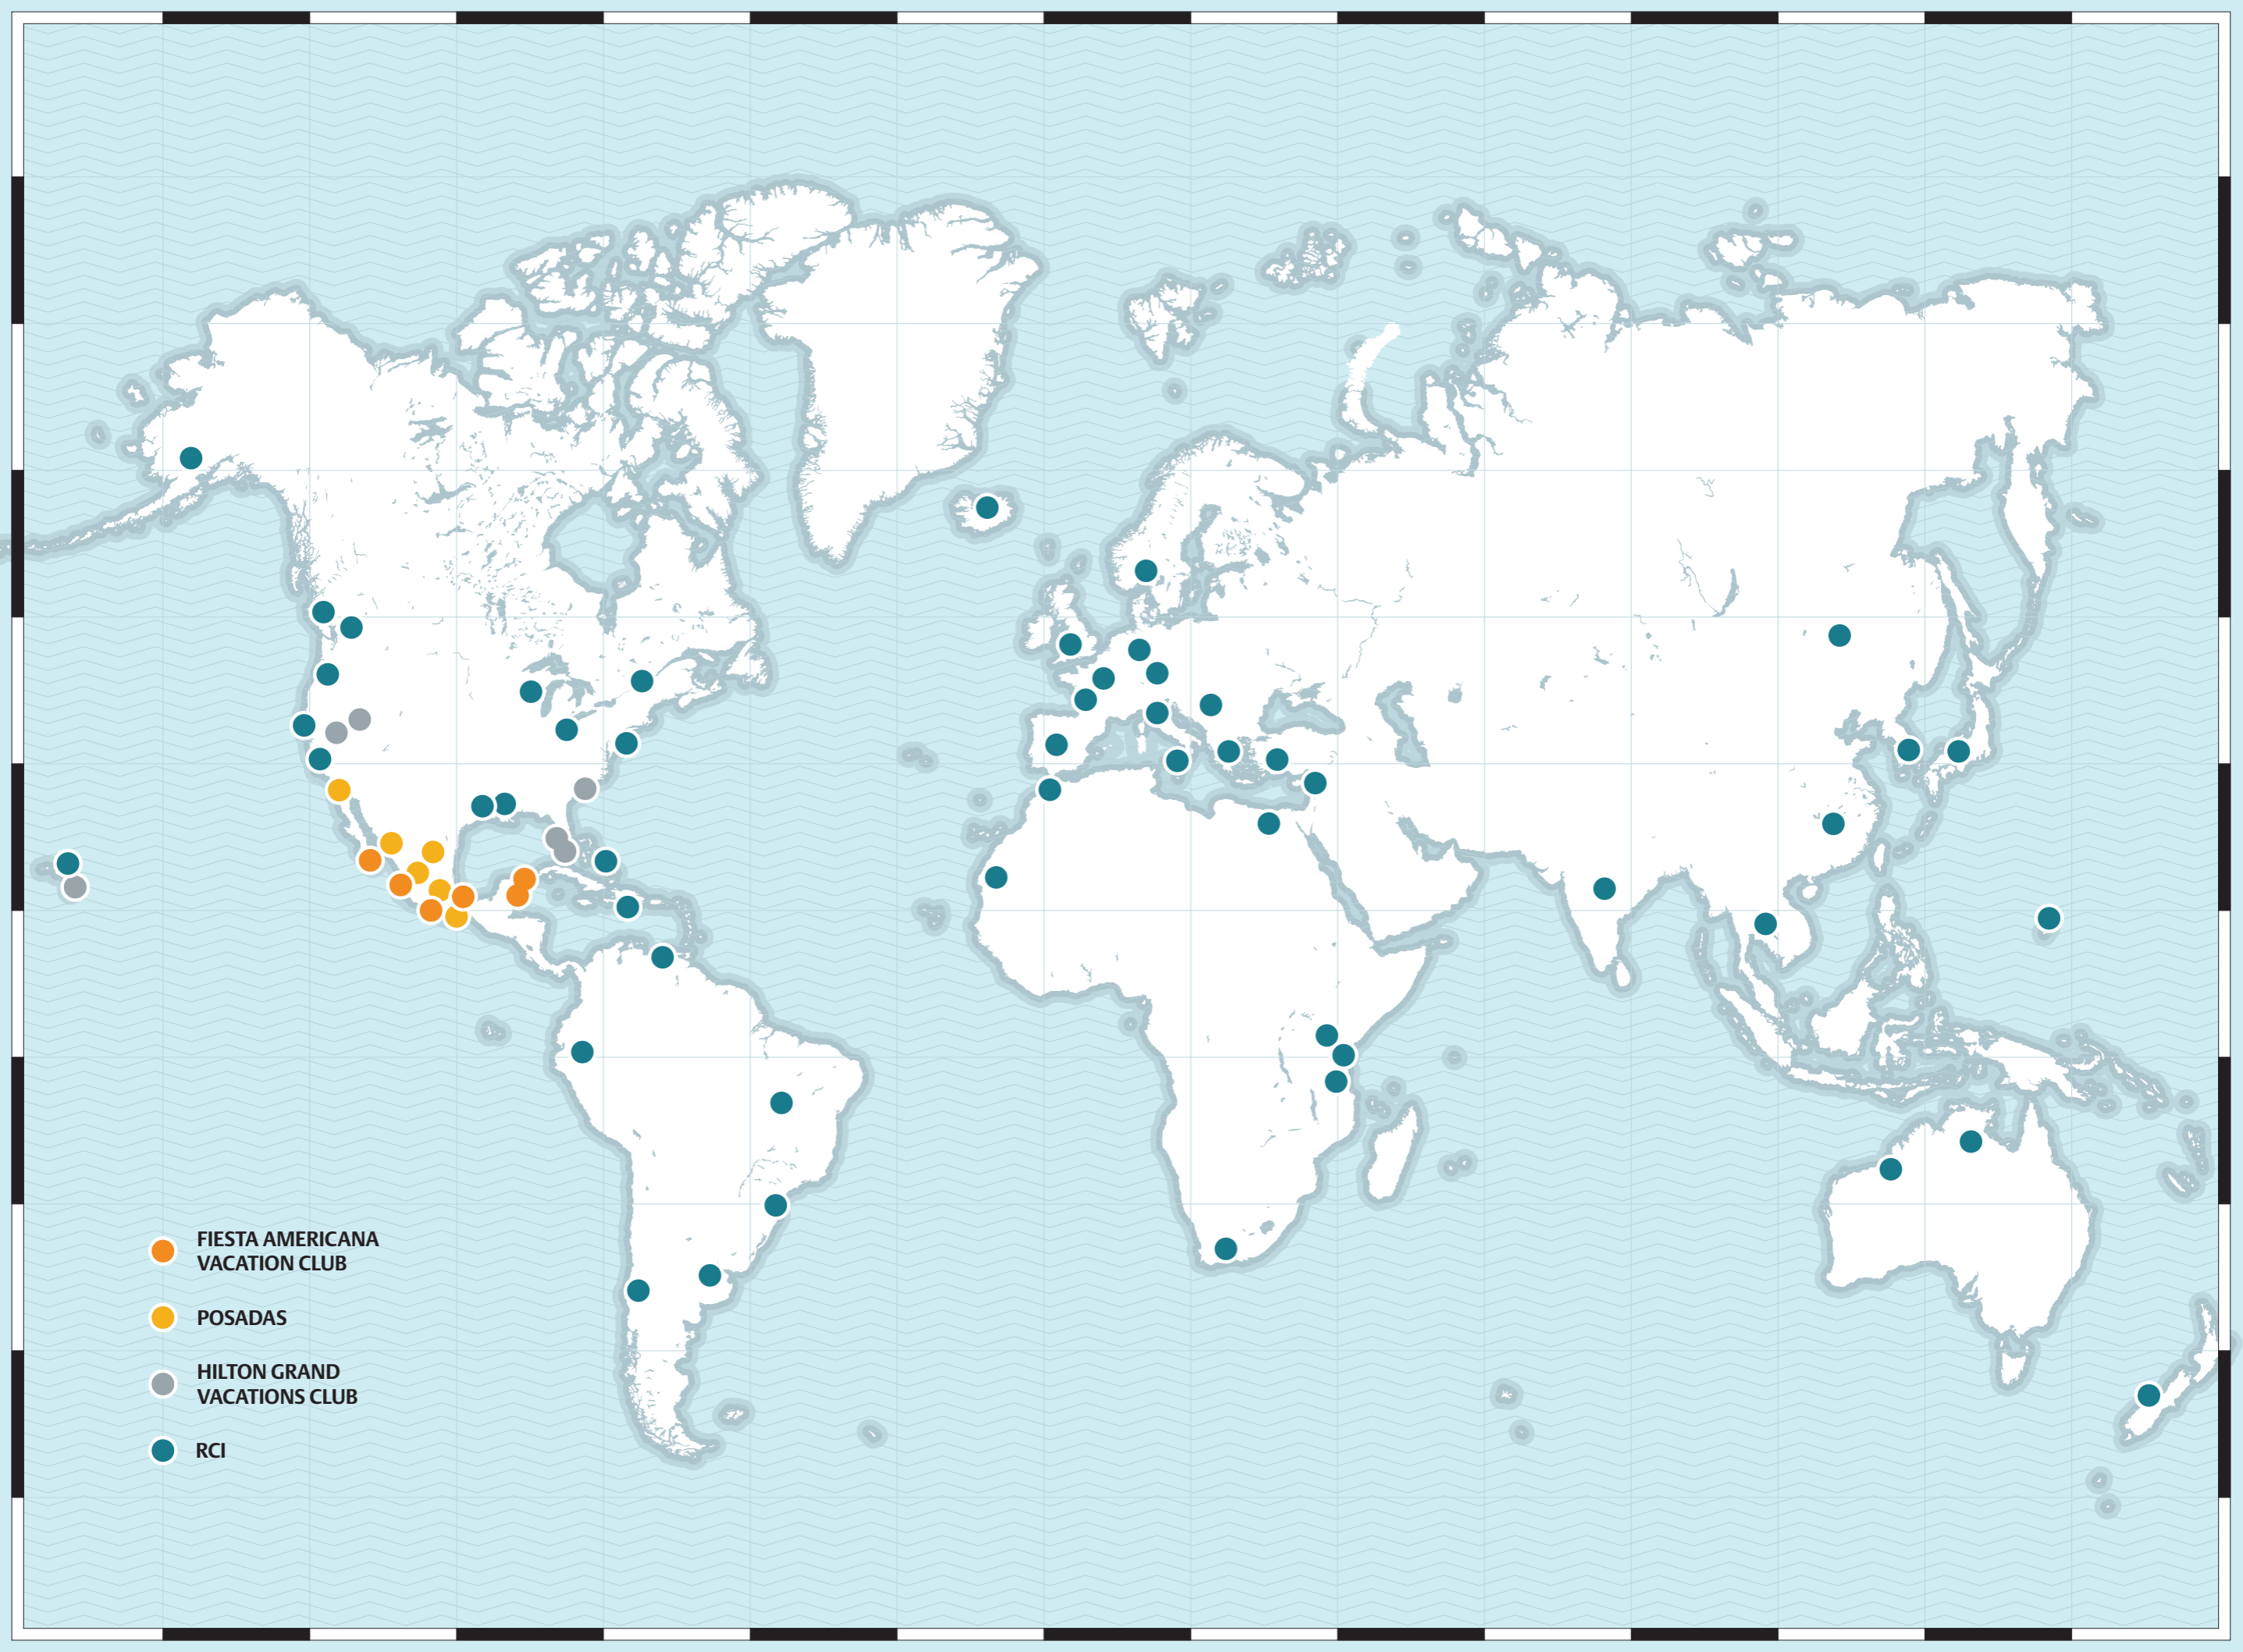

If you're thinking of traveling to destinations and dates that have a high demand, we suggest making your search at least 1 year prior to your preferred check-in date.

You will have 21 days prior to your arrival date to cancel your reservation without being charged (only if using current year Points). Cancellation policies concerning confirmed reservations through RCI are determined entirely by RCI itself.

For more information please call your Club Counselor.

You can convert your vacation points into frequent flyer miles

1. You must be a member of the airline's Frequent Flyer program to which you want to transfer your Club Points. The affiliation must be made directly through the airline. Please consider that it takes approximately 20 days to activate an account with an airline.
2. Once you are subscribed to the frequent flyer program to which you want to transfer your Points, please call Member Service Center and, considering the FAVClub conversion chart, request your Club Points transfer to frequent flyer miles/kilometers (in multiples of thousands). Our counselors will ask: name of the airline, account number and name of the cardholder.
3. The period for air miles to be deposited into your Frequent Flyer account once FAVClub has confirmed the transfer is of 10 days, including weekends and holidays. These Points shall be displayed in your bill as:
 - Domestic airlines:
Commercial Program Deposit
 - American airlines:
Fiesta Americana Bonus fstvcpococ
4. To rectify your crediting please call your preferred airline's Member Service Center. Remember airlines will not be able to give you any information concerning your Fiesta Americana Vacation Club Membership. If you have any questions about our Program or if your Miles or Kilometers haven't been deposited into your frequent flyer account 10 days after, please call our Club Counselors.
5. Once your Club Points have been transferred to the frequent flyer account they will be controlled under the corresponding airline terms and conditions and will not be refundable or credited back into your Club Membership account. Frequent flyer miles can be exchanged for plane tickets. Airline redemption charts and policies determine conversion from miles into bonus tickets. These policies are subject to changes without previous notice.
6. The airline controls flight availability. If your travel agency confirms there is room on your chosen flight, this does not necessarily mean there will be bonus tickets available.
7. You can perform frequent flyer miles conversions using current year Club Points, deposited Points from the previous year, borrowed Points from the next, or extra Points as a result of bonification or promotion.
8. The last possible date for transferring Club Points into frequent flyer accounts is **August 1st** of each year.
